Manual:	NJAC	NJ Administrative Code Excerpts	Effective Date:
Title	10	Human Services	
Chapter	126A	Division Utilization Of Family Child Care Providers	2/13/2012
Subchapter:	2	Dyfs-Authorized Family Child Care Services Program Requirements	
Section	2	Maximum number of children (N.J.A.C. 10:126A-2.2)	

§10:126A-2.2 Maximum number of children

For any family child care provider who receives payment from the Department of Human Services or its agents, either directly or through contract, for family child care services for one or more children, as authorized by the Division, the maximum number of children cared for by the family child care provider shall not exceed five children at a time, regardless of fee-paying or non-fee-paying status. The total of five children shall include the provider's foster children and own children, only if the foster children or own children are age five or younger. No more than two of the total number of children cared for by the family child care provider shall be age 23 months or younger.
